Slovenian Presidency & European Commission:

→ **EU Sustainable Energy Policy**

AM – Room 4

EIC & IRC Networks:

→ **Sustainable energy for sustainable SMEs**

AM – Room 2

ARE – Alliance for Rural Electrification:

→ **Renewables for rural electrification: a win-win combination**

AM – Room 1

EUROFUEL – The European Heating Oil Association:

→ **Sustainable home heating: high efficiency and hybrid renewable solutions**

PM – Room 3

Slovenian Presidency & European Commission:

→ **Presentation of the Strategic Energy Technology Plan**

PM – Room 4

MINAMBIENTE – Italian Ministry for the Environment, Land and Sea:

→ **Co-managing the SEE Campaign: a showcase cooperation between the EC and Italy**

PM – Room 1

EURELECTRIC – Union of the Electricity Industry:

→ **Electricity industry's activities on energy efficiency**

PM – Room 2

GESI – Global E-Sustainable Initiative:

→ **ICT and e-sustainability: how technology helps enable energy efficiency**

TUESDAY 29.01

AM & PM – Room 3

EREC – European Renewable Energy Council & DG TREN:

→ **Renewable Energy Policy Workshop**

AM & PM – Room 4

Slovenian Presidency – Ministry of the Economy:

→ **Achieving sustainable energy together: energy cooperation in the Western Balkans**

AM – Room 1

Energy Saving Trust & EⁿR – European Energy Network:

→ **Perspectives on the implementation of the Energy Performance of Buildings Directive**

AM – Room 2

CECED – European Committee of Domestic Equipment Manufacturers:

→ **One Year on: successes and shortfalls in realising the potential of energy efficiency in the household appliances sector**

AM – Room 5

Cornwall Sustainable Energy Partnership:

→ **End of the Line – the energy challenges and opportunities for peripheral areas**

PM – Room 1

EHA – European Hydrogen Association:

→ **Hydrogen in the City: sustainable hydrogen projects to combat local emissions**

PM – Room 2

COGEN & European Commission & International Energy Agency:

→ **How to achieve the energy efficiency potential of cogeneration in the European Union**

WEDNESDAY 30.01

AM – Room 3

ManagEnergy:

→ **Annual Conference: local and regional actors for a sustainable Europe**

AM – Room 4

DG TREN:

→ **Energy Service Directive: the national energy efficiency action plans**

AM & PM – Room 1

ESTIF – European Solar Thermal Industry Federation:

→ **Developing the huge solar thermal potential**

AM – Room 2

DG ENV:

→ **Sustainable energy policies: carbon capture and storage as part of the solution**

PM – Room 3

DG TREN:

→ **EU energy efficiency policy update**

PM – Room 4

B.&S.U. & Energy Agency for South East Sweden Ltd. & Energy Agency of Plovdiv:

→ **Sustainable transport and mobility – challenges and approaches**

PM – Room 2

ManagEnergy:

→ **Energy education**

European Commission DGs:

DG TREN – Energy & Transport

DG ENV – Environment

DG ENTR – Enterprise & Industry

Conferences themes:

★ Policy

★ Local

★ Energy Efficiency

★ Buildings

★ Transport

★ Renewables

★ Various

THURSDAY 31.01

AM – Room 3

EACI – Executive Agency for Competitiveness and Innovation:

→ **Intelligent Energy – Europe: European info day**

AM & PM – Room 4

DG TREN and EPBD Buildings Platform:

→ **Energy Performance of Buildings Directive – next steps and stakeholders' inputs**

AM – Room 1

Europe INNOVA, DG ENTR:

→ **Innovative Environments for eco-innovative companies: practical approaches from the energy and building sectors**

AM – Room 2

European Photovoltaic Technology Platform:

→ **Research priorities in the photovoltaic sector**

PM – Room 3

DG TREN:

→ **Towards a new culture for urban mobility**

PM – Room 1

EPiA – European Photovoltaic Industry Association:

→ **Change of mind-sets: BIPV – a market segment with huge potential**

PM – Room 2

B.&S.U.:

→ **The European Energy Award® – sustainable energy management in cities and towns**

Register on

FRIDAY 01.02

 AM & PM – Room 3

CONCERTO & RICS:

- **Innovative financing models for sustainable cities**

AM – Room 2

EACI – Executive Agency for Competitiveness and Innovation:

- **Intelligent Energy-Europe: workshop on energy efficient products**

PM – Room 1

BMU – German Federal Ministry for the Environment:

- **Recent studies on renewable energy integration in national and European energy systems**
- **Official Closing Celebration of EUSEW 2008**
- **Cocktail reception**

MONDAY 28.01 – FRIDAY 01.02

Climate Alliance:

- **Virtual ice block bet: demonstrating the energy saving potential of insulation**

Sustainable Energy Europe: a European Campaign to raise awareness and change the landscape of energy

The Sustainable Energy Europe Campaign has been set up as the third pillar – after legislation and support programmes – of the EU's sustainable energy policy. It represents a continuous communication effort that aims to inspire Europe's Citizens to be smart in using energy.

The **EU Sustainable Energy Week** (EUSEW) is the event for EU policy on sustainable energy, dealing with major energy issues and the fight against climate change. Set in the context of the Sustainable Energy Europe Campaign, the EUSEW brings together thousands of private and public decision-makers – both in Brussels and across Europe. These events are unique opportunities to keep in touch with the latest policy and market developments, as well as best practice on energy efficiency, renewable energies and clean transport.

We invite you to join us in the Campaign by becoming a Partner or organising an Energy Day. Together we can make a difference.
