Conferencia de la Industria Solar – España 2011

13 – 14 Octubre 2011

Conferencia de la Industria Solar – España 2011

Ven al encuentro más importante del sector solar español!

Gracias a la combinación única de temas y asistentes, la conferencia ofrece un lugar perfecto para establecer nuevos contactos e iniciar uniones de cooperación.

La conferencia que se realiza cada año tratará en esta edición entre otros temas de: la legislación, los mercados nacionales e internacionales, la paridad de red y la financiación.

Conferencia de la Industria Solar – España 2011

Meet the players of the solar sector!

The CIS-ES 2011 will, following its well-proven approach, bring the players of the solar industry into contact with representatives from politics, the financial world, the press and the industry's suppliers.

This leading industry conference offers talks on non-technical issues facing the sector, which address the current state of the market.

In particular the CIS-ES 2011 focuses on the political environment, market developments, public relations, financing and marketing.
